

Custom Rebate / Trade In Program

Welcome to **YOUR** custom Rebate/Trade in program. Our team builds programs that meet your needs and budget. Here are some details on what that can include:

1. Divine Design & Marketing conducts an analysis of your trade in/Rebate needs.
2. Divine Design & Marketing creates a custom portal for the rebate/Trade in that includes custom login, account management system and administrative levels.
3. Once your program launches, you will have a personal Program administrative Team at Divine Design & Marketing assigned to working with your end users to manage your program.
4. Our Program Administrative team can manage rebates, schedule pick ups on trade ins, create shipping documents, update data, verify claims, pay rebates and post final cashed check documents.
5. Custom reporting is created and sent monthly based on your needs.
6. What you will receive is consistent support and Accelerated ROI!
